SIDE ONE

SCHOOL

I can see you in the morning when you go to school. Don't forget your books, you know you've got to learn the golden rule. Teacher tells you stop your play and get on with your work. And be like Johnnie - too good, well don't you know he never shirks - he's coming along!

After School is over you're playing in the park. Don't be out too late, don't let it get too dark. They tell you not to hang around and learn what life's about. And grow up just like them - want I let you work it out - and you're full of doubt.

Don't do this and don't do that. What are they trying to do? - Make a good boy of you. Or they're making a fool of you? Don't criticise, they're old and wise. Do as they tell you to. Don't want the devil to come and put out your eyes.

Maybe I'm mistaken expecting you to fight. Or maybe I'm just crazy. I don't know wrong from right. But while I am still living I've got to try to say. It's always up to you if you want to be that want to see that way. You're coming along!

BLOODY WELL RIGHT

So you think your schooling's phoney. I guess it's hard not to agree. You say it all depends on money. And who is in your family tree. Right, you're bloody well right. You know you got a right to say. Right, you're bloody well right. You know you got a right to say. No, no, you're bloody well right. You know you're right to say. Yeah, yeah, you're bloody well right. You know you're right to say. No, I don't care anyway! Write your problems down in detail. Take them to a higher place. You'd had your cry - no, I should say well. In the meantime, hush your face. Right, quite right, you're bloody well right - etc.

HIDE IN YOUR SHELL

Hide in your shell coz the world is out to bleed you for a ride. What will you gain making your life a little longer? Heaven or Hell was the journey cold that gave you eyes of steel? Shelter behind painting your mind and playing joker. Too frightening to listen to a stranger. Too beautiful to put your pride in danger. You're waiting for someone to understand you. But you've got demons in your closet. And you're screaming out to stop it. Saying life's begun to cheat you. Friends are out to beat you. Grab on to what you can scramble for. Don't let the tears linger on inside now. Cos it's sure Hella you gained control. If I can help you, if I can help you. If I can help you, just let me know. Well, let me show you the nearest signpost. To get your heart back and on the road. If I can help you, if I can help you. If I can help you, just let me know.

All through the night as you lie awake and hold yourself so tight. What do you need, a second-hand movie star, to read you? I was a boy, believed the saying the cure for pain was love. How would it be if you could see the world through my eyes?

Too frightening - the fire's becoming colder. Too beautiful - to think you're getting older. You're looking for someone to give an answer. But what you see is just illusion. You're surrounded by confusion. Saying life's begun to cheat you. Friends are out to beat you. Grab on to what you can scramble for. Don't let the tears...

...just let me know. I wanna know... I wanna know you. Well let me know you. I wanna feel you. I wanna touch you. Please let me near you. Can you hear what I'm saying? Well I'm hopin', I'm dreamin', I'm prayin'. I know what you're thinkin'. See what you're seein'. Never ever let yourself go.

Hold yourself down, hold yourself down. Why'd you hold yourself down? Why don't you listen, you can trust me. There's a place I know the way to. A place there is no need to feel you. Feel that you're all alone. Hear me. I know exactly what you're feelin'. Cos all your troubles are within you. Please begin to see that I'm just bleedin' to love me, love you. Loving is the way to help me, help you. Why must we be so cool, oh so cool? Oh, we're such damn fools...

ASYLUM

Jimmy Creem was keen, his basin was always within. I can't keep tabs on mine - it's really quite a pain. I see him down the A, and I wish I had the willin' to lend me. I say - I'm dancin' for a while. Don't arrange to have me sent to no asylum. I'm just as sane as anyone. It's just a game, play for fun. But I'm... I told on - look! - I said I'm not the way you think in. Just what I'm doin' I'll be the clown. I'll play the fool. Please don't arrange to have me sent to no asylum. I'm just as sane as anyone. It's just a game, play for fun. For fun. Will he take a walk with you? He is very likely to. Will he feel good inside? He will, every likely to. Will he tell you he's alive? He is always tryin' to. But nuthin', no nuthin' does he say. In the morning when the day's begun. Hello! Good mornin', how are you? And in the evening on the Monday sun. What a lovely afternoon! Well, I've been livin' next to you.

Bleusy Monday in the one day that they come here. When they haunt me and they haunt me in my cage. I think them all they're havin' small they got no answer. They're playin' dumb but I'm just laughin' as they rage. Don't arrange to have me sent to no asylum. It's only a game I play for fun. I've been foolin' everyone - everyone. Will he take a walk with you? He is very likely to. Will he feel good inside? He ain't ever likely to. Will he tell you he's alive? He is always tryin' to. But nuthin', no nuthin' does he ever say. In the morning when the day's begun. Do you think it looks like rain? And in the evening on the Monday sun. You know I nearly missed my train. Well, I've been livin' next to you, my friend. But what kind of friend are you? Is it the beginning or the very end? Will I ever see it through? I've never been insane. Oh, what's the game? I believe I'm dyin'... He's mad, mad, mad... Not quite right... Oooooo...

SIDE TWO

DREAMER

Dreamer, you know you are a dreamer. Well can you put your hands in your head, oh no! I said dreamer, you're nothing but a dreamer. Well can you put your hands in your head, oh no! I said, far out - What a day a year a life it is! You know - Well you know you had it comin' to you. Now there's not a lot I can do. Dreamer, you stupid little dreamer: So now you put your head in your hands, oh no! I said, far out - What a day a year a life it is! You know - Well you know you had it comin' to you. Now there's not a lot I can do. Well work it out someday. It could be something. You can see anything you want, boy. If I could be someone. You can be anyone, celebrate boy. If I could do something. Well you can do something. If I could do something. Well can you do something out of this world?

Take a dream on a Sunday. Take a life, take a Holiday. Take a life, take a dreamer. Dream, dream, dream, dream, dream along...

Dreamer, you know you are a dreamer. Well can you put your hands in your head, oh no! I said dreamer, you're nothing but a dreamer. Well can you put your hands in your head, oh no! OH NO!

RUDY

Rudy's on a train to nowhere halfway down the line. He don't wanna get there, but he needs time. He ain't a well educated, nor well educated. After all the hours he's wasted, still he needs time. He needs time - he needs time for fun. He needs time - for someone just to see him. He ain't had no fun. For me, coach or rhyme. And the whole world's above him. Well it's not as though he's fat - No there's more to it than that. See he tries to play it cool. Wouldn't he be nobody's fool? Rudy thought that all good things comes to those that wait. But recently he could see that it may come too late.

All through your life, all through the years. Nobody's ever nobody's care.

So dim the light, dark are your fears. Try as I might, I can't hold back the tears. How can you live without love, it's not fair? You'd better make or break now. You'd better give and take now. You'll have to push and shove now. You'll have to find some love now. You'd better gain control now. How he's just come out the movie. Numb of all the pain. Sed but to a while he'll soon be back on his train...

IF EVERYONE WAS LISTENING

The actors and jesters are here, The stages in darkness and dear. For raising the curtain and no one's quite certain whose play it is. How long ago, how long? If only we had listened then, If we'd known just how right we were going to be. For we dreamed a lot. And we schmoed a lot. And we tried to sing of love before the stage fell apart. If Everyone was listening, you know. There'd be a chance that we could save the show. Who'll be the last clown. To bring the house down? Oh no, please no, don't let the curtain fall.

Well, what is your costume today? Who are the props in your play? You're acting a part which you thought from the start was an honest one. Well how do you plead? An actor indeed! Go re-learn your lines. You don't know what you've done, The finale's begun.

If Everyone was listening, you know. There'd be a chance that we could save the show. Who'll be the last clown. To bring the house down? Oh no, please no, don't let the curtain fall.

CRIME OF THE CENTURY

How they're planning the crime of the century. Well what will it be? Read all about their schemes and adventures. It's well worth the fee. So well up and see. How they rape the universe. How they've gone from bad to worse. Who are these men of lust, greed and glory? Rip off the masks and let's see. But that's not right - oh no, what's the story? There's you and there's me. That can't be right!
